

I Chemical Properties :

- 1) % Carbon :
- 2) % Volatile matter :
- 3) % Moisture :

Others :

- 4) % :
- 5) % :
- 6) % :

II Structure :

Amorphous Flakes Crystalline Unimportant

III 1) Particle size distribution :

2) Bulk Density :

IV Consumption :

- a) Present :
- b) Future :

V End use (application) :

VI Packing requirement :

VII Present source of supply (if imported, name of the country) :

VIII Sample required for trials :

IX Other information :

X Any specific testing methods, please specify :
